DAILY CLASS AGENDA

We are FC…Unity, Success, and Excellence!

Lesson Plan Guidelines:

- Teachers will create all units in CIITS.
- Unit must include:
  - Standards to be covered.
  - Learning Targets
  - Literacy Strategies
  - Cooperative Learning Strategies
  - Formative Assessments
  - At least two possible activities for extension/re-teaching if needed.
  - Program Review Connection if it applies.

*Effective teachers **prepare, prepare, prepare** . Their lesson plans are detailed. They never wing it. You never hear an effective teacher claiming that he/she doesn't need lesson plans. And you never see an effective teacher using the same plans over and over, year after year.*
