Artist Statement Flow Chart

Describe your artwork. 1

What is your artwork? What materials did you use to make it?

What is the focal point of your artwork?

How does your design make the focal point stand out?

Describe some of the different patterns you created. Are there some patterns that are your favorite?

Describe your process. 2

What was the process you used to create your artwork?

Did your ideas change throughout the process? How?

What inspired you for your final design?

Reflect on the final artwork. 3

Is the final piece what you imagined?

Are you happy with the way it turned it? Why or why not?

If you could make this artwork again, what would you change or improve?

What was the most challenging part of this project?

Any final thoughts to wrap up your statement?
