Lead
• The who, what, when, where and why of the story. What is the disease called? How many people have died?
Background Information
• What are the symptoms of the influenza? Who does it attack? What remedies are available? How does it travel?
Interview
• An interview with a doctor or nurse, or perhaps a survivor or family member of a victim.
• Try to incorporate quotes from the novel.
More Information
• What should people do if affected? What plans are there to combat it in the future?
Conclusion
• Final paragraph: any final information, summing up the story.
