BMA

BMA committee mentoring programme

Mentor application form

Thank you for your interest in becoming a mentor for the BMA committee mentoring programme.

Our goal is to support the professional development of members, and give them the skills required to be effective committee members and future leaders. The programme is designed to help committee members set and achieve their goals, and realise their full potential.

Please complete the form below by identifying your skill base and providing us with a short biography. This is a key part of the mentor-mentee matching process as we will be matching a mentee to you based on this information.

Once you have completed the form please return it to Yasemin Dil: **mentoring@bma.org.uk**. If you have any questions regarding the mentoring programme or the application process please do not hesitate to contact us.

By completing this form you are giving consent to the BMA Corporate EDI (equality, diversity and inclusion) team to use the details provided for the sole purpose of mentor-mentee matching.

Your personal information and what you have entered as your key skills will remain secure and confidential. It will not be disclosed outside of the unit. Only your mentor biography will be shared with the mentee during the matching process. They will not be able to contact you directly or see what you have listed as your key skills. For further information about how the BMA processes personal data please see our full privacy policy at bma.org.uk/about-us/legal-policies/privacy-policy.
