Corrigenda

Some generalisations of the Poisson summation formula
Crowley B J B 1979 *J. Phys. A: Math. Gen.* **12** 1951–5

(i) The following errors regrettably appeared in the *note added in proof* on page 1955:
On line 2, 'as $m \to \infty$' should read 'as $m \to \pm\infty$';
Equation (N2) should read:

$$\sum_{m=-\infty}^{\infty} \exp(2m\pi \mathrm{i} z) = \lim_{\gamma \to 0^+} \frac{1}{2\mathrm{i}}\left(\frac{\exp[-\mathrm{i}\pi(z-\mathrm{i}\gamma)]}{\sin[\pi(z-\mathrm{i}\gamma)]} - \frac{\exp[-\mathrm{i}\pi(z+\mathrm{i}\gamma)]}{\sin[\pi(z+\mathrm{i}\gamma)]}\right)$$

(ii) The references cited as Crowley 1978b and Crowley 1979 have now been published as follows:
