Dear Dr. Peterson,

I am writing to express my enthusiastic intent to apply for the PGY-1 Pharmacy Residency Program at Boston Medical Center for the 2024-2025 academic year. Having completed my Doctor of Pharmacy at the University of Massachusetts, where I excelled in clinical pharmacology and patient care, I am eager to advance my professional practice in an environment that challenges and expands my clinical and research skills.

Throughout my academic career and my internships, particularly my recent rotation at HealthCare Partners Pharmacy in Boston, I have cultivated a robust foundation in clinical pharmacy practice, with a strong focus on patient-centered care. My experiences have reinforced my commitment to improving patient outcomes through evidence-based medication therapy management and interdisciplinary collaboration.

Boston Medical Center's Pharmacy Residency Program stands out to me because of its commitment to excellence in clinical pharmacy practice, its innovative research opportunities, and its supportive learning environment. I am particularly drawn to the program's comprehensive approach to patient care and the diverse patient population it
