Mr. Jacob Harris
Internship Coordinator
Innovative Tech Solutions
5678 Tech Park Blvd
Ann Arbor, MI 48104

Dear Mr. Harris,

I am writing to express my enthusiastic interest in the Software Development Internship program at Innovative Tech Solutions, as advertised on the University of Michigan's Career Services website. Currently, I am a junior majoring in Computer Science at the University of Michigan, with a strong foundation in software engineering principles and a keen interest in applying these skills in a real-world setting.

Throughout my academic career, I have excelled in courses such as Object-Oriented Programming, Data Structures, and Algorithms, consistently ranking in the top 10% of my class. Additionally, I have actively contributed to open-source projects on GitHub, where I collaborated with a global team to enhance existing software solutions. These experiences have equipped me with a solid understanding of coding practices and the collaborative nature of software development.

I am particularly drawn to Innovative Tech Solutions because of the company's reputation for fostering innovation and its commitment to developing cutting-edge technology solutions. I am eager to learn from and contribute to your team, bringing

fresh ideas and a strong desire to tackle challenging problems. During the internship, I aim to further develop my programming skills, gain valuable industry insights, and understand the dynamics of working in a professional software development environment.

I am confident that my academic background, combined with my practical coding experience, makes me a suitable candidate for this internship. I am enthusiastic about the opportunity to contribute to Innovative Tech Solutions' projects and to learn from experienced professionals in the field.

Thank you for considering my application. I am looking forward to the possibility of discussing this exciting internship opportunity with you in more detail. Please do not hesitate to contact me if you require any further information or documentation.

Sincerely,

Emily Nguyen
