### **2014 Sponsorship of West Coast Junior Football Club**

The West Coast JFC is a successful, well run sporting club for children aged between 5 and 17 to learn and play the great game of Australian Rules Football.

As a participant club in the Claremont Junior District of the Western Australian Football League, West Coast JFC footballers and teams are renowned for the manner in which they play the game and their skill and dedication to a shared club and team cause. Many of these footballers have gone on to have outstanding careers in amateur football, the WAFL and even AFL including Tom Ledger (St Kilda) and current Claremont league players Ian Richardson (Premiership player), Jack Bradshaw and Sam Fong. However, most are content to be a part of a team and organisation that values:

- Individual and Team Responsibility;
- Fair Play and Outstanding Behaviour on and off the field
- Commitment to Skill Development and Team Ethics
- Development of First Class Young Members of our Community

These are the values that are demonstrated, encouraged and upheld by members of the West Coast JFC Committee, Coaches, Managers, Volunteers, Parents and Supporters.

With over 300 children playing Australian Rules Football and our brand new Clubroom Facilities, West Coast JFC is focussed on further developing as a club and participant in the Western Suburbs Community of Perth. By aligning your business with our club you can be sure you are playing your part in not only developing sport in the district, but helping to promote your business in the area.

At West Coast JFC, we are very excited by the future potential of this club and the people within it and we hope to share that journey with your organisation. Thank you for taking the time to review this material and we would be very happy to discuss further and tailor a sponsorship package to suit you. If you have any specific questions in relation to this, please contact our sponsorship coordinator, Greg O'Rourke on 0417937844 or by email [greg.orourke@engenium.com.au](mailto:greg.orourke@engenium.com.au).

Yours faithfully

West Coast Junior Football Club

## **Auskick Gala Day – Gold Sponsorship - Negotiable**

This is an annual event held in early August in which all the clubs in the Tigers District send teams to compete at City Beach Oval. Many of you will be aware that this creates enormous exposure due to up to 1300 children from pre-primary to Year 2 competing and parents, grandparents and others attending.

On the day, all attendees will be issued with a match day programme promoting your business as Gala Day Gold Sponsor and space will be made available at the grounds for you to actively promote your business in any manner you see fit.

Sponsors will also be recognised by the ground announcer during the day, and your marketing activities will also be promoted.

There will be other associate sponsorship packages available at the Gala Day, which will enable you to help the club and promote your business at the same time.
