# SDF Airport Emergency Plan

- Patrick Rogers, Lead, Airport Certification Safety Inspector, FAA Southern Region.
- FAA (Patrick) sent three documents:
  - ❑ A sample AEP from the FAA Central Region (Spirit of St. Louis Plan).
  - ❑ A template from FAA Southern Region.
  - ❑ Sample AEP (IND) with redactions.

---

# SDF Airport Emergency Plan

- Used the samples and templates to re-work the current SDF AEP.
- Updated all contacts, mutual aid agreements, MOU's, letters of agreements and appendixes.

# SDF Airport Emergency Plan

- By following the AEP AC and the associated checklist two items emerged:
  - ❑ It expanded the current SDF AEP section from 52 pages to over 275 including appendixes.
  - ❑ Time and manpower extensive –
    - Started in June 2010
    - Sent first 'draft' to FAA Southern Region first week of February 2011.
    - Awaiting comments for final re-write to submit for final approval before the June 30, 2011 deadline.
