

Coach Survey Questionnaire- For Parents and Player

Coach _____

Team _____

Please help us grow by sharing your ideas on how well we did this season by telling us about your coach. We want our coaches to be “double-goal coaches” who strive to win and to help players learn lessons that will help them be successful in life.

Honors the game by showing respect for the rules, opponents, officials, teammates and one’s self.

Success is emphasizing effort, learning and improvement, and rebounding from mistakes rather than fearing them.

Motivation uses positive encouragement so players can play their best.
