2. Summary of performance

In April 2014, sales were ¥944 million yen, up ¥306 million or 47.9% from a year earlier, and sales exceeded 40% for six consecutive months. Although from April to June is a slack period in the construction industry, the company was able to increase the engineers by more than 200 people while maintaining a constant operating rate. The engineers will contribute to the company's operating results from May onward.
