

## Debate Watch Party Agenda

**Each debate will air live at 9 ET. We suggest that you invite your guests to arrive 30 minutes beforehand to mingle and plan for upcoming activities.**

### **0:00 Guest Sign-in**

Make sure everyone signs in. Wait a few minutes to let everyone arrive before starting.

### **0:05 Welcome from Host**

Introduce yourself and share your story. What inspired you to get involved in the campaign and why are you hosting this Debate Watch Party?

### **0:10 Group Introductions**

Have everyone introduce themselves and share their story about what inspired them to get involved. Get to know each other – you will be spending a lot of time with these people in the remaining few weeks to help organize your community for Barack.

### **0:20 Neighbor to Neighbor**

Introduce your guests to our online tool called Neighbor to Neighbor, and ask all your attendees to participate in a canvass or phonebank. Settle on a time and place to meet before the debate starts.

Make sure that you, as the host, are trained on Neighbor to Neighbor before your Debate Host Party. Check out our training videos at [my.barackobama.com/n2ntraining](http://my.barackobama.com/n2ntraining). You may even want to consider showing one or both of the videos on your computer to your guests.

### **0:30 Start of Debate**

### **2:00 After the Debate**

Thank guests for coming and ask them to consider making a contribution to the campaign (make sure you have some contribution forms on hand) to help pay for our 50-state efforts. Also, remind your guests of when you'll be meeting to canvass or phonebank.
