## Narrative

On October 21, 2024, at approximately 11:00 AM, I, Officer Robert White, was dispatched to 123 Maple Street to respond to a report of stolen property. Upon arrival, I spoke with the victim, Anna Martinez, who stated that several valuable items were stolen from her home while she was away between 2:00 PM and 4:00 PM on October 20, 2024.

Martinez reported that when she returned home, she noticed that the back door was open, although she had locked it before leaving. Upon inspection, she discovered that the following items were missing: a Sony 65-inch flat-screen TV, a gold necklace, and \$300 in cash. She did not observe any signs of forced entry and stated that no one else had access to her home during the time of the theft.

Martinez provided receipts for the stolen items, which are necessary for her insurance claim. No witnesses were identified, and there were no surveillance cameras in the area.

Martinez was advised to file an insurance claim with her provider and was given the report number for reference.
