

Pool Party Agenda

Introduction (Leslie) –

- Thanks for coming, and supporting yab!!!

Networking - There were three stations - panel presentations, systems of care, community projects. Youth came to stations to learn about the three topics and get a transport filled out in order to get a goodie bag for participating! (:

- Dee with someone from Luzerne-community service
- Mystic with someone from Luzerne-Partnership
- Leslie and Rob- Panels
- SOC (Roxy's group)

Icebreaker (Dee)

- Name / What is something fun you did this summer?

Split into groups (inside or outside)

Inside 1st (Dee and Leslie)

Top Ten (Ideas on how to get the top ten distributed)

Review top-ten with youth and parents. Also for those meetings to improve the communication as a whole- Ideas were to have caseworkers to bring it with them to meetings to me. Also bring the top ten to group and residential homes. Someone brought it up to link it to the transition plan and add into a module for people in training. We need to advocate for ourselves!

Community Service (future community service events)

- Have donations for school supplies, have a field day/fun fair with carnival games and prizes for people who help with community service, we need to re-evaluate our partnerships!!!

Inside 2nd (Rob and Collin)

Survey (ideas on how to get the survey distributed)

Ideas on how to get the survey out to the youth without complication weather that be from the parent/foster parent. Next we cover lots of cool idea to fundraise. Idea like unmarked mail, email, tho schools, caseworkers were all brought up.

Future ideas (future ideas for fundraising events, future goals, etc.)

Next we cover lots of cool idea to fundraise. Like have a carwash, doing walks, and event with the animal shelter. Everyone had amazing ideas.

Outside 1st (Crystal and Mystic)

- We got to know each other and have fun by playing name games, anoeba tag,
