### **Notes and Next Steps**

- Concept Proposals are required for BEYOND Core projects only. BEYOND Team and BEYOND Health applicants will only submit a full Application.
- Member agencies may submit multiple BEYOND Core project applications.
- Member agencies must submit a separate Concept Proposal for each proposed project.
- The total amount requested by each member agency for all proposed projects must not exceed the Round II BEYOND Core member agency allocation (see Program Guidelines Section III).
- Project Concept Proposals are due by March 10, 2017.
- Upon receipt and review of the Concept Proposal, WRCOG will approve the project in concept, or request clarifications. Once the project concept is approved, member agencies must submit a full Project Application.

### **Concept Proposal**

In the space provided on the next page or in a separate attachment, please provide a summary project overview (250 words or less). The Concept Proposal should demonstrate BEYOND Core project consistency with at least one of the Sustainability Framework Goals (See Funding Guidelines Section VI).
