## About Legislative Lobby Days

Legislative Lobby Days is a two-day event that educates students and professionals about important legislation affecting clients and the social work profession.

This is a great opportunity to learn more about the legislative process and to get a “hands-on” lobbying experience talking with state legislators and/or their staff about important issues.

## Reasons to Attend

- ✓ Discover the legislative process and how to lobby Legislators and/or their staff.
- ✓ Learn about important legislation that affects social workers and the clients they serve.
- ✓ Find out how all social workers, students, clinicians, organizers and managers can have an impact on state policy.
- ✓ Meet Legislators, their staff and other important political contacts in Sacramento.
- ✓ Network with other social workers and “Stand Up For Others” on important social issues.

## Earn CEUs

You may earn up to 8 CEUs for participating in this event, 3 units for Sunday only; 6 units for Sunday and Monday; and 8 units for being a Team Leader. You may register for CEUs during the online Lobby Days registration process or onsite at the event. The CEU Certificate fee is \$25.

## What is a Legislative Appointment?

A legislative appointment is a meeting in a Legislator’s office where you, as a NASW Advocate, can educate and lobby Legislators and/or their staff on key issues affecting social work professionals and our clients. You will be representing NASW on specific issues of great importance to the CA Chapter. During the registration process, you may request an appointment with a Legislator’s office where you will have the opportunity to educate and advocate on the issues you learn about during Sunday’s presentation.

NASW makes every effort to schedule legislative appointments with the attendee’s local Assemblymember or Senator, however they are extremely busy and their availability is dependent upon many factors.

Participants will not have to go to a legislative appointment alone! You will be teamed up with other participants and a Team Leader, who will assist you in preparing for your legislative appointment on Sunday and during the appointment on Monday.

## Lobby Days Testimonial

“One of the highlights of the trip for me was walking into the conference room and seeing over 900 social workers; it was truly inspiring!” “Another highlight was the opportunity to watch our students put theory into practice. They were a little nervous walking into the legislator’s offices; but came out with confidence and a sense of accomplishment.”

*Ruth Chambers, Ph.D.*

*Asst. Professor, CSU Long Beach*

“I learned that even as a student I am making a difference just by being here!”
