

## **Festival 2013 at Paros Park**

### **Events schedule**

**The Festival's schedule will soon be printed out and found at meeting points all over Paros Island and at the Park's premises.**

*This year, an important co-operation will take place among the Cycladic Islands Festivals. In specific, three high quality venues will host the "Cycladic Circle", as the co-operation project has been called, and will present six events in August, consequently from one Island to the next. The Islands's hosting venues are : Bazeos Castle in Naxos Island, Archilochos Theatre in Paros Island, and Koumaro Theatre in Tinos Island. The "Cycladic Circle" aims at creating an attractive venue net for artists to perform, offering a strong event promotion and sponsor support, and making creative and innovative productions.*

**In regards to the Cine Enastron movie screenings, look out for a separate leaflet.**

***The schedule is updated daily with additional information. On the rare occasion of a change or cancelation, there will be in time e-communication.***

## **June**
