

CHILD DISABILITY ALLOWANCE APPLICATION FORM

COMPLETE THIS FORM IF YOU WANT TO APPLY FOR CHILDCARE DISABILITY ALLOWANCE.

The Child Disability Allowance is a non-taxable payment made to the main carer of a child or young person who has a serious disability, in recognition of the extra care provided:

- they require constant care and attention because of that disability, over and above that of a child of a similar age and sex, and
- they must be under the age of 18, and
- they will be likely to need that care and attention for more than 12 months.

The Child Disability Allowance is not income or asset tested.

To be eligible for the Child Disability Allowance you must:

- be a New Zealand citizen or a permanent resident who usually lives in New Zealand, and
- care for a child who has a serious disability or medical condition.

The medical certificate in this application form should be completed by the doctor or specialist who provides the ongoing care of the child or young person.

You may also be able to receive the Disability Allowance to help towards the extra costs the child or young person has because of a disability or medical condition.

It is important that you contact us as soon as possible, even if you don't have all the information available, as this will affect when we can start your payments.
