

# COMMUNITY SPONSORSHIP APPLICATION

*With great courage, integrity and love – we embrace our responsibility to co-create a world where each of us, our communities and our planet can flourish. All the while, celebrating the sheer love and joy of food.*

## ABOUT OUR GIVING PROGRAM

Whole Foods Market's Giving Program is dedicated to helping organizations in our stores' local communities that have limited budgets and big hearts. Our giving program supports organizations that address community issues, such as: food access, sustainability, local and organic agriculture, animal welfare, healthy eating and social services. Our focus is to partner with innovative groups that are driven by shared values and are facilitating programs that better our local and global communities. Our Core Values include sustainability, community support, healthy eating education and a commitment to local growers.

We invite you to read more about our mission and values at <http://wholefoodsmarket.com/mission-values/core-values>

Typically, The Whole Foods Market Giving Program seeks out organizations that have direct community impact and a shared mission. Not all requests can be honored, and those that are not submitted **at least 90 days in advance**, that are **incomplete** will not be considered.

## ABOUT COMMUNITY SPONSORSHIP

**Community Sponsorship is open to registered non-profit organizations.**

Community Applications are reviewed once a quarter, and **are for non-profit organizations seeking support above the investment level of our general donations**. This application also serves for organizations seeking assistance from more than one Whole Foods Market in a metro location. These applications will require submission **no less than 3 months prior to the event, though 6-12 months is recommended**.

Sponsored organizations may be asked to sign a contract with Whole Foods Market committing to a significant level of promotional support and/or partnership with our stores. Contract base requirements often include use of social media, website, ads, and/or email communication with members and supporters to highlight partnership with Whole Foods Market.

In addition, each group will work with the store Marketing Team Leader(s) to outline a unique promotion agreement specific to the organization and its reach.

- Organizations can only be selected to participate in Community Partnership once per year. **We strive to support as many organizations in our community as possible, so a prior sponsorship from Whole Food Market does not ensure continued commitment.**
- Organizations applications will be reviewed by WFM up to 4 times per year. Organizations seeking support from multiple stores must prove the reach and involvement in the direct communities of all stores involved.
- Stores reserve the right to defer application to another Whole Foods Market location if deemed appropriate.

**This program does not support individuals, politically affiliated groups or individuals/teams seeking pledges for a cause. In general, our sponsorships are in kind, and not monetary, and require a mutually beneficial partnership beyond logo placement/sponsorship mention.**

Please complete the below application and submit to: **Community Giving Program**

**Submission of a completed application is not an agreement to honor your request**

## NEXT STEPS

First, **Thank You!** We greatly cherish those who work to make our community a better place each & every day!

- Within 5 days, you will receive an automated email response that your application was received. Because of the number of proposals we receive, we have to ask that **you only follow up if you did not receive a confirmation email within 5 days**. If we need more information or have questions, we'll be in touch as soon as we can! We do not have the ability to meet with every applicant, so please make sure your application is thorough and feel free to include any supporting documents you deem relevant.
- Due to the high volume of submissions, **if your application is incomplete or does not meet our timeline**, it is possible that you will receive no further follow up. Additionally, though we *sincerely* try to respond to each and every application, during very busy months, **only proposals that we are interested in and/or may have the ability to pursue are contacted for follow up**.
  - Follow up may include discussion of details and possibilities, a meeting to outline partnership, and/or a contract (upon commitment) outlining a unique partnership agreement that is mutually beneficial to both parties
