

## SAMPLE NABO INTRODUCTION EMAIL FOR ORGANISATIONS

Hi <insert name>,

My name is <insert name> and I am a Nabo Suburb Lead. I am writing to you today to introduce you to Nabo.

Nabo is Australia's fastest growing local social network, connecting you and your neighbours with everything that's going on in your suburb.

Nabo is free and enables community groups, Councils and government organisations to instantly and directly connect online with others in their community.

I am hoping you might be interested in getting on-board too.

Nabo is the perfect place to share information about events, recommendations for services, local Council issues and important crime and safety updates.

Nabo has a dedicated section for organisations where members can easily find you and the information you want to share.

We have a number of community groups, Councils and Government Organisations on-board and using Nabo.

If you would like to hear more about Nabo I would be happy to come in and discuss with you in more detail.

Thank you
