

# DISTRICT OF BARRIERE MEMORIAL PROGRAM

## **Our Community**

The District of Barriere is located 66kms north of the City of Kamloops on Highway 5. It is nestled in the North Thompson Valley surrounded by the Barriere and North Thompson Rivers.

Barriere was incorporated as a community on December 4, 2007.

The District of Barriere is starting to develop our Park System. The District is developing approximately 80 acres of property. The help of our citizens is appreciated.

## **The Memorial Program**

The memorial donation program enables individuals and groups to remember veterans, colleagues, and loved ones by means of purchasing infrastructure such as benches, trail markers, picnic tables, trees and lamp poles. Your gift to honor a loved one will also enable the District of Barriere to offset costs associated with development of our parks and trail system.

## **The Donation Process**

Please submit your donation request by completing the Memorial Program form that can be found on the District of Barriere website: [www.districtofbarriere.com](http://www.districtofbarriere.com), in person at the District Office: 4936 Barriere Town Road, or by calling us for a Memorial Program Package.
