**IMPORTANT — please keep this email for future reference**

Dear Miss Henshaw,

Welcome to UCAS. We're pleased to confirm that we've received your application. Details of your choices are listed below — please take the time to check they're correct.

We have sent your application to all of your chosen universities and colleges for consideration. Be aware that some universities and colleges will write to you to thank you for your application, but others won't contact you until they have reached a decision. You can use [our Track service](#) to check the progress of your application. All notifications, including decisions from your choices, will be posted in Track, so it's important to log in regularly.

To log in, you'll need your Personal ID (found at the top of this email) and a password. You should use the same password you used in Apply.

If you have applied through UCAS Undergraduate, UCAS Teacher Training or UCAS Conservatoires in any previous application cycle, your Personal ID will be the same as the original number you were given when you made your first application. The correct Personal ID is shown at the top of this email.

**Please remember that your Track login details are confidential and should not be disclosed to anyone.**

If you paid the full £24 application fee, and haven't used all of your choices, you can add more (up to a maximum of five), provided that you have not replied to any offers. However, if you have paid for a single choice and want to add more, you will need to pay an additional £11. You can do this in Track.

If you have any questions, find out how to [contact us](#) on our website.

If you want to cancel your application and request a refund, please [contact us](#) within 14 days of receiving this email.\*

We wish you every success with your application.

Yours sincerely

UCAS

\* You may also withdraw your application after the 14 day period, but we won't refund your application fee in this instance.
