## The Studies Weekly Cornell Note-Taking Method

DO THIS DURING THE LESSON OR WHILE YOU ARE READING:

### Note Taking Column

Write the important facts and information here. For example, vocabulary words, dates, events, and important people and what they did.

DO THIS AFTER THE LESSON OR READING:

### Connections Column

Write one or two word phrases to describe your notes.

DO THIS AFTER THE *Connections Column*: **Summary Section**

Write a short summary of the lesson or the chapter or write the two or three main points of the notes or any questions that you still do not know the answer to.
