

# Job Application for Software Tester

---

**Subject: Application for Software Tester Position – Priya Gupta**

Dear Hiring Manager,

I am writing to express my interest in the Software Tester position at QualityTech Innovations, as advertised on your company website. With a Bachelor's degree in Information Technology from Metropolitan University and over 3 years of professional experience in software testing and quality assurance, I am excited about the opportunity to contribute to your team.

In my current role at Digital Solutions Inc., I have been instrumental in implementing comprehensive testing methodologies that enhanced product quality and user satisfaction. My efforts led to a 25% reduction in post-release bugs and significantly improved the customer feedback rating. I am skilled in both manual and automated testing techniques, with proficiency in tools like Selenium, JIRA, and TestRail, and I am familiar with Agile and Scrum methodologies.

I am drawn to QualityTech Innovations because of your commitment to developing cutting-edge software solutions and your emphasis on quality and innovation in the testing process. I am eager to bring my expertise in creating and executing detailed test cases, identifying bugs, and working closely with development teams to resolve issues efficiently.

Please find attached my resume, which provides further detail on my achievements and professional background. I am looking forward to the possibility of discussing how I can contribute to ensuring the high quality of your software products. I am available for an interview at your earliest

convenience and can be reached at 555-987-6543 or  
priya.gupta@email.com.

Thank you for considering my application. I am enthusiastic about the  
opportunity to join QualityTech Innovations and contribute to your success.

**Best regards,**

Priya Gupta
