

Missing Assignment Sheet

Students must do all assignments for Ninth Grade Advanced English. On the first day of class, I (Mr. McCain) agree that I will not give meaningless homework; students must then agree to do all homework. Any missing assignment reflects poor communication, poor preparation, or negligence, each of which is unacceptable. Lack of resources is not a valid excuse. Be proactive. Do not make excuses, make it work!

I did not complete my homework (or I did not bring the correct materials to class) for the following reason(s):

- ☐ I simply did not do the assignment. I knew about it, I just did not complete it.

- ☐ I left the necessary materials to complete my homework at school or somewhere else.
- ☐ My internet connection was down at home.
- ☐ My computer was broken/printer was out of ink/jammed; any other computer issue
- ☐ I was too busy (practice ran long, game was late, etc.).

- ☐ I did not bring the correct materials to class.

I know that the above excuse(s) is/are unacceptable. I accept the consequences of not having my homework in class, and I plan to change my behavior(s) to ensure that I have my work on time and complete.
