

Project Summary Sheet

Name: _____ Project: _____

Member must complete a minimum of five (5) activities or learning experiences each year in addition to attending the majority of your club's meetings and giving a project oral presentation. These activities can be done at a club meeting, at your home, at a day camp or on a field trip. Activities can be done alone or in a group. **Examples of activities include:** learn to identify breeds; make a rope halter; learn how to recognize a healthy animal, learn how to vaccinate your animal; identify and classify feed ingredients, learn how to clip your animal, make beef jerky. Have your leader initial and date each activity when completed. Submit this sheet with your record book.
