

Writer's Workshop

DESCRIPTIVE WRITING

Learn to add more detail to your writing to bring it to life. With two workshops we will look at adding senses and figurative language, the basics of descriptive writing.

- **Tuesday March 14, 2017- Writing with the Senses**
6:00-7:30pm

Learning to bring all the senses into our writing gives the reader a feeling of being part of the story.

- **Tuesday March 21, 2017- Writing with Figurative Language**
6:00-7:30pm

Figurative language helps to bring detail and understanding to our writing while giving it some personality.
