Working Strategy

We are highly dedicated to provide result oriented optimization, thus we offer relaxed or expert friendly working strategy. This approach makes our expert more concentrate towards results and focused over result oriented and quality SEO workflow.

- To make quality work and results, we target only 3 keywords per month.
- Initially our concern will be to optimize home page and we will try to get ranking of home page. Once we get it, we will move to further pages and work for them to get ranking easily.
- We mentioned 10 keywords for 6 months in our Bronze Plan, but we work on several supporting keywords as well. This approach helps us to get rank in SERP.

Terms and Conditions

- All the above plans mentioned are for existing websites only - New designs require custom quotes to include design fees.
- All Plans and Packages are priced excluding taxes.

- Higher page ranks some time take more times to complete. We'll send you the list of URL's and corresponding page ranks at the end of the month / or completion of the project.
