### 12 month payment plans (Limited, MVP, VIP, Unlimited) termination options include:

1. In the event of a severe physical illness or permanent disability or if a Patron moves/relocates, due to a job transfer( more than 30 miles away) or due to military deployment. A permanent disability means a condition that precludes a Patron from being able to participate in FISC leagues for six (6) months or more, and the condition is verified by a physician. Upon verification from a physician, FISC will either suspend or cancel Patron's membership plan effective after receipt of the very next billing cycle. There is no processing fee for this service.
2. If FISC fails to program during a particular session that the Patron is eligible to participate within, upon written request by the Patron, FISC will suspend billing until such time as a league or session is available. In the event that FISC fails to program two (2) or more consecutive sessions, the Patron may cancel his/her membership plan and be released from any further obligation. There is no processing fee for this service.
3. Patrons may elect to cancel at the end of any Program by giving at least 30 days notice and simply making a one-time payment equal to the savings received by the Patron during the membership plan versus the *Pay As You Play* pricing for the Program in which the Patron participated. There is no processing fee for this service. Due to the nature and complexity of the scheduling of leagues/events/rentals, FISC does not offer refunds. In the event of inclement weather, if FISC announces a delayed opening or closure, FISC will reschedule the event/rental, if possible. If the event/rental cannot be rescheduled, FISC will either give the Patron a FISC credit or complete refund. If league play is canceled due to inclement weather and FISC is not able to reschedule the match due to logistics, FISC will give all affected Patrons 250 Perkiwille points. There are no refunds for red cards or suspensions.
