

## Onomatopoeias-A to Z

1. Write the letters A to Z vertically in 4-5 columns on a whiteboard.
2. Explain to the children that they have to write one word for each letter of the alphabet. Each word has to be an onomatopoeia, a word that was created to represent a sound.
3. Fill 2-3 letters with examples to get them started.
4. The list below gives ideas in case there is a letter the students can't fill.
