Dear Superintendent Flemming,

As a highly dedicated Teacher, I read your posting for a new Middle School Math Teacher with interest. My experience aligns well with the qualifications you are seeking at Savannah Creek Middle School, in particular my role as Middle School Math Teacher at Red Mountain Middle School, and I am certain I would make a valuable addition to your organization.

With more than 11 years' experience as a Middle School Math Teacher, I am adept in classroom instruction, development of instruction plans, and parent-teacher relations. Moreover, while my on-the-job experience has afforded me a well-rounded skill set, including first-rate conflict resolution and problem solving abilities, I also have a solid educational foundation and a passion for teaching. I am extremely enthusiastic about Savannah Creek Middle School's focus on individualized instruction and would welcome the opportunity to contribute to improving your students' math test scores.

Please review my attached resume for additional details regarding my expertise and career achievements. I will follow up to request an appointment to discuss how my experience and background meets your needs.

Thank you for your time and consideration.

Sincerely,

Mateo Juarez
