Return to the Quins Pavilion carpark for 15:30	14:45pm	15:00pm (15mins)	Proposed Directions:  50.pdf Link to Google Maps.

Logistics

Transportation will be provided by the Applicant.

Personal Protective Equipment Requirements:

It is advised that you wear and bring the following:

- a) Suitable sturdy footwear for walking on unmade ground;
- b) High visibility jacket or vest;
- c) Waterproof jacket and trousers.

The Applicant can provide high visibility vests for any attendees that do not have them.

It is not advised that shorts be worn as walking down narrow paths flanked by nettles and brambles will be necessary to access some sites.

Health, Safety, and Welfare:

Pack lunches and water will be provided for those on the minibus.

A first aid kit will be on the minibus.

Please be advised that to view some sites attendees will be required to walk up to 1km away from and back to the coach on dirt tracks and/or unmade ground. Attendees should be of a level of fitness to enable them to walk those distances.

Please note also that the visit will require walking along the highway, please take care when alighting from vehicles. Exit from the side away from the carriageway and walk in single file towards oncoming traffic. Cross only when safe to do so and in locations with sufficient visibility.
