Subject: Proof of Income

Dear Mr. Daz:

This is with reference to Ms. Hannah Coleman who has worked as a babysitter for my children aged 1, 2 and 4 since March 2011. Ms. Coleman is a meticulous and trustworthy individual and has been kept on for her services for so long due to her reliability and punctuality.

Ms. Coleman is presently earning \$9.38 per hour which amounts to an annual salary of \$19,510. A sum of \$281.4 is directly credited to her account # VG62736352-11 at Texas Bank on weekly basis. Please refer to the copies of her bank statements and credit receipts for the previous 12 months enclosed with this letter.

I believe that Ms. Coleman is perfectly qualified to obtain a car loan from your bank as she is expected to remain in my employment for at least the next five years and will be able to pay back the loan amount easily.

I, Gregory Mans, state that the information provided in this proof of income document is correct.

Regards,
