
Welcome

Welcome to the latest Holy Trinity Church of England Primary School Prospectus...

At Holy Trinity we are absolutely committed to creating a school where children are developed as rounded individuals. We try to make sure that the Holy Trinity experience is:

- Happy
- Safe
- Caring
- Exciting
- full of a wide variety of inspiring opportunities

Vision Statement

“At Holy Trinity Primary School we want to ensure that children have a clear voice. We want our children to develop skills that enable them to make informed choices, now and in the future. Children should have the drive and ambition to reach their potential and we aim to provide an environment where they can do this and feel safe and valued.”

It is our aim, whenever possible, to celebrate the great achievements of all our children. We aim to provide a relevant and inspiring education for the children in our care and attempt to ensure our school environment is one where every child feels valued.

Mission Statement – (developed by staff, governors and children)

“As a Church school we want to live in the way Jesus showed us. To be kind, giving, generous and helpful. We want to be involved in our work and help build an interesting and happy school. We want to feel safe and comfortable and grow to do our best in our work and play.”

The school day starts with a daily assembly - assemblies have themes, dealing with everyday issues as well as spiritually and morally guiding our children in the Christian faith. Parents/Carers can, if they wish, withdraw their children from the daily act of collective worship. However as a committed Church of England School we politely request that you discuss concerns you may have with Mr Jon Smith, our Headteacher, before you make this decision.

A member of the Halstead Anglican Clergy visits the school every week to lead a worship assembly. On occasions this invitation is extended to other denominations and faith groups. Friday sees our weekly ‘Celebration Assembly’ which is open to parents, friends and families.
