

Son, you have been one of the sweetest blessings of my life.  
You are kind and gentle and generous while also being  
strong and responsible and courageous.  
I thank God that He gave you to me.

You have chosen a beautiful young lady as your bride. I  
could not be happier to officially welcome her to our  
family today. She is truly special in every way.  
I thank God that He gave her to you.

May you both know joy unspeakable.  
May you experience love that is bountiful.  
May your provisions always be plentiful.  
May God be ever merciful abundantly blessing you with  
health, wealth, and wisdom.
