Dear Ms. Samantha K. Rhodes,

I am writing this letter to provide verification of my self-employment status. As a Self-Employed Consultant specializing in digital marketing strategies, I have been operating under the business name "Grant Digital Consulting" since April 2017. My business is registered in Austin, Texas, and provides comprehensive digital marketing services to a wide range of clients across various industries.

My primary responsibilities include developing digital marketing plans, executing online advertising campaigns, and providing ongoing consulting services to help businesses enhance their online presence and achieve their marketing objectives. Over the past years, my consultancy has steadily grown, reflecting in both the increase in client base and annual income.

For the fiscal year ending December 31, 2023, Grant Digital Consulting reported a gross income of \$120,000 with a net income of \$85,000 after expenses. These figures have

been consistently increasing over the past three years, demonstrating the profitability and stability of my self-employment venture.

I understand the importance of this information in evaluating my application and am willing to provide further documentation as needed, including tax returns, bank statements, and client contracts to substantiate my self-employment status and income.

Please feel free to contact me at (512) 555-0234 or via email at [lucas.grant@grantdigital.com](mailto:lucas.grant@grantdigital.com) should you require additional information or have any questions regarding my self-employment.

Thank you for considering my application. I look forward to your positive response.

Sincerely,
