CHILD CARE HOURS AND FEES

Hours: Your hours contracted for care will be from _____ to _____ On the following days _____

It is important that arrival and departure time are punctual and brief so that we can all get settled and proceed with our activities. If you need care beyond the contracted hours you will need to prearrange this with the provider. The provider is under no obligation to provide an extension of time if such extension conflicts with the provider's own plan. Late arrival does not justify late departure.

Fees: The basic charge will be \$200 per week for full time care, \$35 per day part time. Tuition shall be paid each Monday morning in advance when you drop your child off for care. If you child will not be in care on Monday morning you will need to drop off payment prior to Monday morning. Do not put me in a position to ask for the check – Please remember to bring it.

Late Fees: A late fee of \$10 per day will be charged for any late payments. A \$45 dollar fee will be assessed for all returned checks. Additional fees may also be charged if the returned check or late payment caused excess fees to provider's account. Childcare will not be provided for clients with outstanding fees.

Overtime Fees: A fee of \$5 will be charged for every 15 minutes that you are late for pick up time.
