Please record books read on the Summer Reading Log form. All students who return their summer reading log on the FIRST day of school will receive Rocket Tickets to contribute to their VIP status and also be invited to a special event to celebrate summer literacy!

Summer is almost here and it is a time for resting, relaxing and **READING**!

Reading is like a sport in at least one very important way: to be good at it, it takes time, practice and commitment!

Summer provides a great time to do this! During the summer, reading for pleasure is an enjoyable pastime, which has many benefits:

- Reading is a skill that improves with practice.
- Reading can be a family activity; families in which parents read inspire children to read.
- Reading is fundamental in providing a solid basis for academic achievement.

Visit BAPL for great book choices, follow @broughalread on twitter for suggestions, or visit Cops 'n Kids Reading Room for **FREE** books!
