To Whom It May Concern

We recognise that our daughter Mari Williams is travelling out of the country with her grandparents David and Erica Benton from August 5 to August 19 2014. They will be travelling to various points throughout Canada to sightsee during that time period and they have our permission to do so. Please see our notarised signatures below as evidence of our approval. If any questions arise regarding this permission please contact us at (555)987-1234.

We have further provided our daughter's passport and a copy of her birth certificate if needed for verification. In the event of a medical emergency David or Erica Benton have our permission to make treatment decisions about our daughter until we can be notified.

Sincerely

Janice Benton-Williams & Marcus Williams
