Dear Members of the Student Council Selection Committee,

I am delighted to recommend Jacob Lee for a position on the Student Council. I have known Jacob for the past two years as his English teacher and have been consistently impressed by his leadership abilities, initiative, and dedication to our school community. I believe he will make a valuable contribution to the Student Council and positively influence his peers.

Jacob is a natural leader who stands out for his ability to connect with others and inspire them to take action. He has served as the captain of our Debate Team, where he demonstrated strong organizational skills and a talent for fostering collaboration among his teammates. Under his leadership, our team achieved remarkable success at regional competitions. His calm demeanor and thoughtful approach make him an effective communicator, able to listen to diverse viewpoints and build consensus.

In addition to his leadership skills, Jacob has shown a deep commitment to service. He volunteered to lead a school-wide recycling initiative, which involved coordinating with faculty, students, and local environmental groups. His passion for making a difference is evident in everything he does, and he consistently sets a positive example for his classmates.

I have no doubt that Jacob's enthusiasm, integrity, and dedication to service will make him an outstanding member of the Student Council. He has the vision and drive needed to bring fresh ideas and meaningful change to our school. Please feel free to contact me at (555) 123-4567 or [laura.peterson@crestviewhs.edu](mailto:laura.peterson@crestviewhs.edu) if you have any further questions about his qualifications.

**Sincerely,**

**Ms. Laura Peterson**
