

**This year, in
recognition of Canada's
150th, we are
challenging teens to
read everything
Canadian!**

We have compiled a list of 150 challenges for you to complete, together, as a team. Every time you complete a challenge, all you need to do is visit the Teen Section on the first floor of the library and fill out a ballot. As the ballots are received, library staff will check off the completed challenges on the master checklist displayed in the Teen Section, so you can see what challenges are left to complete. If teens can complete all 150 challenges before August 15th, we will be drawing prizes (school supplies) on August 22nd.
