

# ACTIVITY CONCEPT NOTE: [ACTIVITY TITLE]

---

*Provide a short summary of the proposed Activity including indicative New Zealand funding level and note whether this is a New Zealand-led or partner-led process.*

[???

## RATIONALE AND ANALYSIS

### ORIGIN OF THE CONCEPT

[???

### PROBLEM DEFINITION

*Outline the problem definition/rationale and context for the Activity.*

[???

### ALIGNMENT WITH PARTNER DEVELOPMENT PLANS/PRIORITIES

*Explain how it aligns with the development plans/priorities of partner/s*

[???

### ALIGNMENT WITH NZ DEVELOPMENT AND FOREIGN POLICY OBJECTIVES

*Outline how the proposed Activity links in with key New Zealand foreign and development policies and aid effectiveness principles. Include:*

- *A brief summary of Post and Heads of Mission views (bilateral and multi-country Activities, and others where relevant)*
- *Other relevant strategy and policy links (e.g. with bilateral, regional, sector, and with crosscutting issues).*
- *How it contributes to leveraging NZ's comparative advantage.*

[???

### BACKGROUND ANALYSIS

*Identify any existing information relevant to the proposed activity. Outline how the findings and lessons learned will be integrated into the activity design. Identify any gaps in the available knowledge. Relevant findings and lessons may be drawn from evaluations from external research findings, evaluations of previous or current activities in the sector, other donor activities, or publications from sources such as donors, research institutions, Government departments etc.*
