Dear Gauri

We are writing to extend our hearty congratulations on your graduation. Baby, you have made us all very proud. We were delighted to hear that you scored over 90% percent marks. That is quite an achievement and calls for a special celebration.

We understand that you wouldn't have achieved this without hard work and perseverance and we are quite certain that your integrity and work ethic will take you places. In order to show our appreciation, we have enclosed a small gift.

Good luck in beginning your new career!

Ravi and Uma
