Dear Ms. Lesser,

My previous work experience and leadership roles make me an ideal candidate for a summer internship with Florida Studios. Your company has an excellent reputation for customer satisfaction, and I know that the combination of my experience, education, and motivation to excel will make me an asset to your marketing department.

My experience in sales and customer service, combined with my courses in psychology, has convinced me that hospitality marketing is a career option that would suit me well. In my position with Drake Productions last year, I was recognized as the top sales associate in their summer program. I am sure that I can put this same skill to use for you, and yet continue to improve upon it as I learn from some of the top marketing executives in the business.

I look forward to contacting you within a week to talk about the possibility of an interview. Should you have any questions before that time, you may reach me via phone (386-555-2922) or via email (cra8z@virginia.edu).

Thank you for your time and consideration.

Sincerely,

Casey Amore
