

## Funny Father of the Bride Wedding Speech

Normally the Father of the Bride will tell the guests how proud he is of his daughter. He will then also extend a warm welcome to his new son in law into the family. You can weave in a joke or two, but keep it genuine and to the minimum.

## Funny Groom Speech

Traditional Wedding Etiquette requires the Groom Speech to be formal and sincere. You can use one or two jokes but not too many. The groom should focus on the bride and make her feel special. In general you should keep your speech inspiring and meaningful.

## Funny Maid of Honor Speech

Do you think women cannot be funny? Think again. You can use it effectively to mix humor and sentiment in your maid of honor speech. This will help to lighten the mood. The maid of honor should use humor sparingly and with care.

Applying these basic principles will ensure your speech will have everyone rolling with laughter. The most important thing to remember when holding a funny wedding speech is to keep the humor and jokes light hearted. This will ensure you deliver a perfect speech that applies to a wide variety of people without any embarrassment to anyone
