Dear Hiring Manager,

As an accomplished financial Sales Representative, I read your posting for a new Sales Representative with interest. My experience aligns well with the qualifications you are seeking at Lynch Financial, in particular my role as Sales Representative with James Barrett Financial Group. I am positive I have what you need and that I would make a valuable addition to your organization.

With more than 13 years' experience as a financial Sales Representative, I am adept in managing loan cycles through closing, risk management, and delinquency control. Moreover, while my on-the-job experience has afforded me a well-rounded skill set, including first-rate leadership and people skills, I excel at:

- Growing customer bases through effective networking and sales techniques.
- Consistently exceeding quotas and sales goals.
- Evaluating customer needs and recommending or upselling services.
- Cold calling to bring in new business.

In addition to my experience and personal qualities, I have a solid educational foundation and a passion for increasing sales. I am extremely enthusiastic about Lynch Financial's focus on reaching the working professionals population and would welcome the opportunity to contribute to your continued business success.

Please review my attached resume for additional details regarding my expertise and career achievements. I will follow up to request an appointment to discuss how my experience and background meets your needs.

Thank you for your time and consideration.

Sincerely,

Liam Anderson
