

# High School Strategic Plan

## GOALS

## SUPPORTING STRATEGIES

## DESIRED OUTCOMES

### 01

#### COLLEGE & CAREER READINESS

Prepare students for post-secondary options and careers

In order to accomplish our 3 goals, implementation of the supporting strategies needs to occur.

**Implement** Culturally Relevant Pedagogy & Curriculum

**Improve** School Climate & Reduce Chronic Absenteeism

**Implement** 9th Grade PLCs that focus on attendance, discipline and keeping students on track to graduate

**Prepare** all Students for Postsecondary Success

**Enhance** CTE Quality & Sustain Programs

**Improve** Central Office Responses

**Engage** Families as True Partners

**Increase** graduation & completion rates

**Increase** post-secondary enrollment

**Increase** student engagement

**Eliminate** opportunity gaps for historically underserved students

### 02

#### CULTURALLY RELEVANT PEDAGOGY AND CURRICULUM

To accelerate academic achievement & personal growth, with a focus on historically underserved students

### 03

#### STUDENT ENGAGEMENT

Implement a multi-tiered system of supports that sounds the alarm sooner for students at risk of dropping out and not being ready for postsecondary success
