THE HUNGER GAMES

hardcover

Suzanne Collins

American

2008

ENGLISH

"Deep in the meadows,
hidden far away
A cloak of leaves,
a moonbeam ray
forget your woes
and let your troubles lay
And when it's morning again,
they'll wash away

Here it's safe, here it's warm
Here the daisies guard you from every harm
Here your dreams are sweet
and tomorrow brings them true
Here is the place where I love you."

Finally, a YA novel that deserves its place in the bestseller lists!
Suzanne Collins' writing flows fluently in a well-developed plot, and there is a sincerity to it that instantly makes a connection with the reader.
It was sheer-chitching excitement to the end - and in a long time, I'd never wanted to read a sequel so badly as I did with Catching Fire!
One of my best reads for 2009!

"Peeta sighs. 'Well, there is this one girl. I've had a crush on her ever since I can remember...'

"She have another fellow?" asks Caesar.

"I don't know, but a lot of boys like her... I don't think it's going to work out. Winning... won't help in my case. Because... because... she came here with me."

I thought it would be hard to top The Hunger Games, but Suzanne Collins manages to pull out twist after twist and it just keeps getting better!

Catching Fire intensifies all the elements of Hunger Games so that the reader is more invested in the characters, and even the nation of Panem.

A worthy sequel, and I can't wait for Book 3!
