

AGREEMENT TO PARTICIPATE IN MEDIATION

Mediation is a meeting where students can resolve conflicts by talking with each other and to the Mediators. We will listen to each of you without taking sides and help everyone look for a solution. By signing you agree to work with us to reach an agreement that you will follow.

I understand and agree to participate in the Mediation process.

I do not agree to participate in the Mediation process. I understand that my unwillingness to attempt to resolve this situation in Mediation will result in a direct referral to the Assistant Principal.
