Dear Mr. Bucher:

I enjoyed talking with you and learning about careers in finance. It was exciting to find out about the successful path of a former JMU student.

I appreciated your taking the time to meet with me. I have already incorporated your suggestions into my resume and will send you the updated copy next week. Your advice about the field of financial advising was most helpful and I am now more eager than ever to pursue a career in this area.

Again, thank you so much for your assistance and for referring me to Mr. Paul Jones. I have already set up a meeting with him to discuss possible openings in his organization. I will let you know how it turns out.

Sincerely,

Dolly Madison
